Certification and Process

OSASCO - JULY 2007

NEKARTH has been registered for ISO 9001 **certification by SGS Systems & Services Certification** a global leader in quality management registrations.
SGS Systems & Services Certification audited NEKARTH's quality system and found it to be in complete compliance with the International Organization for Standardization (ISO) 9001:2000 Quality Management System (QMS), the global standard for quality assurance.
SGS Systems & Services Certification will conduct annual audits to verify continued conformance and to contribute to process improvements.
