

Nekarth respects the privacy of every individual who visits its websites. Any information collected about you will be used to fulfill any service you might request, to inform you about new products and services and also to improve how we serve you. Your data will be treated in accordance with relevant European Union and local country legal provisions. Your information will not be disclosed to anyone outside of Nekarth, its affiliated or associated companies, and its dealers.

The purpose of this privacy policy is to describe the types of information that we collect from you when you visit our site and explain how we use this information.

#### **DATA PROTECTION**

We protect the data in strict accordance with the Principles of the European Union Data Protection Framework Directives, in particular EU Directive 95/46/EC.

Any information that you choose to provide us with about yourself will be held on a secure computer server that encrypts all the information you supply us.

This ensures, among other things, that data we hold about you are processed lawfully and fairly. We aim to ensure that the personal data stored will be accurate, relevant and not excessive. We will keep the data up to date and not retain the information longer than is necessary. We will keep data securely to prevent unauthorized access by other people. You have the right to see what is held about you and correct any inaccuracies. Nekarth will not share or loan any identifiable information about you to any third party without your consent. We may share generalized information about site visitor patterns with partners or other parties in such a way that individual visitors can never be identified. It is possible to view our site without providing any personal details. However, without registering your details you will not be able to receive further communications from us.

#### **WHAT PERSONAL INFORMATION IS COLLECTED**

We collect your personal information on a registration form.

This information may include data such as your name, email address, country and preferred language.

We use this information

1. To help make your visit more enjoyable
2. To send you relevant information about NEKARTH PRODUCTS and SERVICES
3. To email you from time to time about promotions or products and services which we think may be of interest to you
4. To help us recognize you as a unique visitor (using a number, you cannot be identified personally) when you return to our website.
5. To allow us to tailor content or advertisements to match your preferred interests or to avoid showing you the same adverts repeatedly.
6. To compile anonymous, aggregated statistics that allow us to understand how users use our site and to help us improve the structure of our website. We cannot identify you personally in this way.

### Third Party Cookies

Third parties serve cookies via this site. These are used for the following purposes:

#### MORE QUESTIONS ABOUT PRIVACY?

You have the right as an individual to find out what information we hold about you and make corrections if necessary. You also have the right to ask us to not use the information by choosing not to give your consent on the registration form.

If you have any specific questions that are not covered in this section, or want to know what information we currently store on you, please e-mail your enquiry to:
